COMPETITION TEAM

For those students who want to perform more than once a year at the June recital, Center Stage Dance offers 8 different Competition teams across all styles and levels as well as a Competition Prep program. Being on one of our competition teams is a great chance to grow your passion for dance, working with your team to push yourself in performance and technique.

Students work with their team on different routines and compete at national competitions throughout the year. All interested students must audition to be on a competition team and take the required classes per week, including ballet, jazz, technique and/or hip-hop along with their competition rehearsal class.

Our teams are very successful every year and have been recognized for their outstanding performances, energy, enthusiasm, concept, choreography, and overall ability.

About Our School:

Center Stage Dance is a school uniquely designed to encourage an appreciation and interest in dance and music. While sharing our love of dance, we strive to provide a fun, enthusiastic, and nurturing environment for our students. All of the teachers at Center Stage Dance are working professional dancers and choreographers who have performed in TV commercials, music videos, movies, as well as on tours and stage shows with major artists.

About Our Classes:

We introduce dance to our Two-year olds with a 45-minute Mummy & Me class. At Three-years-old they transition to a traditional class that is a 45-minute class that focuses on creative movement and Ballet technique to develop simple dance skills. For our 4-7 year olds the classes are one hour and combine ballet, tap, jazz, hip-hop and acro. One and one and a half hour classes in Jazz, Ballet, Tap, Contemporary, Acrobatics and Hip-Hop are offered for ages 8+ based on the student's experience level. Our upper level ballet students are also evaluated for training on pointe. From time to time we also offer Yoga and Stretch & Tone classes to compliment & facilitate our dance classes.

About The Owners:

Amy Longstaff, "Miss Amy," has her Masters in Dance from the Northern Ballet School in Manchester, UK, not far from where she grew up in York. She also studied at the Royal Ballet School. She moved to Los Angeles to pursue her dance career in 2007 and has worked with Disney, Dreamworks, and Nickelodeon. She has also performed with such artists as Katy Perry and Wayne Brady. With her husband, William, who studied theater at Vassar College and their two daughters Penelope and Mabel, they are starting their 5th season of owning Center Stage Dance, which has been providing dance instruction to children in Los Angeles or over 30 years.
